

A satellite photograph of the Netherlands, showing the landmass in a dark blue color, surrounded by the North Sea to the north and the Atlantic Ocean to the west. The land features a complex network of rivers and canals, and is densely populated with cities and towns. The image is taken from a high altitude, providing a clear view of the country's geographical features.

*Vanuit de ruimte zag ik een aarde zonder grenzen.
Grenzen zijn ook de mogelijkheden die ruimtevaart
ons hier op aarde biedt.*
